¹ All published tuition rates include four (4) core classes and chapel for 6th grade and up. Minimum enrollment requirements: Grades 6-7 must be enrolled in all four core classes, Grades 8-10 must be enrolled in at least three core classes and Grades 11-12 must be enrolled in at least two core classes. Study hall periods are required for vacant periods for students not arriving or dismissing early (approval required).

² Sibling discount (5%) is available for siblings of full-time (four core classes if grades 9-12), non-discounted students. Discount does not apply to fees, electives, or Learning Lab.

³ Student Fees offset in-class supplies, security costs and accreditation fees per student. Fees are nonrefundable.

⁴ Senior Fees and Curriculum Fees are refundable if a student is withdrawn prior to July 1.

⁵ Monthly payments shown above exclude application and enrollment fees since these are paid prior to enrollment. The monthly calculation includes the annual Installment Plan Fee and assumes a 12-month payment cycle (May - April). For students starting payments after May, the payment schedule will be compressed since the final installment is due in April.

⁶ Students are considered new if they were not enrolled in the previous semester. Fee includes testing. Students must be 5 by Sept 1 to enroll in Kindergarten.
